

Essential Travel Checklist!

- Purchase travel insurance for your trip
- Check your passport expiration date
- Give vital travel information to an emergency contact: flight info, hotel info, copies of passports
- Research travel immunization recommendations
- Make and print an emergency number sheet including bank & insurance contacts
- Explore cell phone roaming options
- Print out travel itineraries and plans
- Book destination requirements: transportation, excursions, etc
- Refill medications needed for your trip and store in original bottles showing prescription info
